INFORMATION:

On February 28, 2015, Officers from the Santa Cruz Police department responded to a report of a female on Mission St., carrying a rife with a mounted scope.

As patrol officers responded to the area, they located a female in the area of Fair Ave. and Mission Street holding a rifle. A portion of Mission St was shut down by the police department, redirecting all traffic away from the area.

While the woman was standing next to a motorhome, she was ordered by the officers on scene to drop the rifle. After numerous unsuccessful attempts in negotiating with the female to release the rifle, impact munitions were deployed. The woman was struck multiple times by the impact munitions until she dropped the rifle.

After the female was in custody, it was determined the weapon was a pellet rifle.

The woman was taken into custody and taken to the Santa Cruz County Psychiatric Health Unit for evaluation.
