ORDINANCE NO. 2009-08

AN UNCODIFIED EMERGENCY ORDINANCE OF THE CITY OF SANTA CRUZ PERTAINING TO THE EXTENSION OF TIME FOR EXERCISING LAND USE PERMITS AND DECLARING THE PRESENCE OF AN EMERGENCY AND THE URGENCY THEREOF

WHEREAS, the severe global financial crisis of the past seven months has driven the United States of America and the State of California into the deepest recession since the 1930s; and

WHEREAS, the series of bank and insurance company failures that precipitated and resulted from that crisis has effectively closed global credit markets and required unprecedented governmental intervention; and

WHEREAS, the financial crisis has made it very difficult for persons living or working in the City of Santa Cruz to proceed with approved and permitted land use projects due to their inability to obtain the institutional financing necessary to undertake project development; and

WHEREAS, said difficulty in acquiring financing has placed a number of land use permits in jeopardy because of the land use permit exercise deadlines set forth in the Zoning Ordinance; and

WHEREAS, if currently approved permits are allowed to expire under these circumstances thereby requiring project developers to either repeat the time and expense of the land use entitlement process or abandon their projects, the City's current financial crisis, precipitated by the afore-referenced global financial crisis, will be significantly exacerbated by the delay or loss of tax revenue, private employment opportunities and other economic benefits attributable to the development or redevelopment of property within the City.

NOW, THEREFORE BE IT ORDAINED by the City Council of the City of Santa Cruz as follows:

<u>Section 1</u>. The following uncodified emergency ordinance is hereby adopted by the City of Santa Cruz.

LIFE OF PERMIT—EMERGENCY EXTENSIONS.

All land use permits active as of March 10, 2009 and those approved up to and including March 10, 2010 shall have their life automatically extended an additional one year from the length of time currently authorized under Section 24.04.160 (1)(a) of the Zoning Ordinance. This extension authorization shall expire on March 11, 2010 unless otherwise extended by the City Council.

<u>Section 2</u>. This ordinance is declared to be an emergency measure adopted under Section 612 of the Santa Cruz City Charter, and is necessary to preserve the public peace, health, safety, property, and general welfare. The urgency for its adoption is set forth in the findings above.

<u>Section 3</u>. This ordinance shall take effect and be in force immediately upon its final adoption.

Charter of the City of Santa Cruz.
