

Proposition 215 the Compassionate Use Act of 1996 passed with 5,382,915 (55.6%) votes in favor and 4,301,960 (44.4%) against. Like other local and state measures claiming they are for legalization of marijuana, Measure I is a fraud to repeal rather than amending the Compassionate Use Act. The Compassionate Use Act does not include any of the words "Cannabis business" or "tax".

Proposition 215 said "the purposes of the Compassionate Use Act of 1996 are as follows, to ensure that patients and their primary caregivers who obtain and use marijuana for medical purposes upon the recommendation of a physician are not subject to criminal prosecution or sanction. To encourage the federal and state governments to implement a plan to provide for the safe and affordable distribution of marijuana to all patients in medical need of marijuana. The purposes of this section, 'primary caregiver' means the individual designated by the person exempted under this section who has consistently assumed responsibility for the housing, health, or safety of that person." Classifying "caregivers" as a "Cannabis business" stigmatizes patients' compassionate use.

I'm asking you as a taxpayer, voter, and as a medical marijuana patient who relies on this medicine for pain relief, please vote no on the amendment to the so-called Cannabis business tax because it discriminates against me personally and you too because the law says medical marijuana shouldn't be taxed just like any other prescription medicine you pick up at your pharmacy has no tax.

I filed a lawsuit against the City of Santa Cruz and County of Santa Cruz and the previous election the voters approving the tax means as a medical marijuana patient I'm a member of a political minority group who lacks the political power to overcome unlawful discrimination against me. So even if you hate me because my medicine is marijuana, every vote counts, please vote your conscious, since it helps my lawsuit.
