**City of Santa Cruz Water Department
NOTICE OF AVAILABILITY OF A FINAL ENVIRONMENTAL IMPACT REPORT**

The City of Santa Cruz Water Department has completed a Final EIR for the Climate Resilient Santa Cruz: Graham Hill Water Treatment Plant (GHWTP) Facility Improvements Project. The Final EIR is anticipated to be considered by the Water Commission on August 5, 2024 at 7:00 PM and by the City Council on September 10, 2024 after the hour of 10:00 AM at City Hall Council Chambers. Directions for participating in the meetings will be provided on the meeting agendas, which will be posted at the following links.

Water Commission Agenda will be available by August 2, 2024:

<https://www.cityofsantacruz.com/government/city-departments/water/city-water-commission/meetings-and-agenda>

City Council Agenda will be available by September 7, 2024:

<https://ecm.cityofsantacruz.com/OnBaseAgendaOnline/Meetings/Search?dropid=4&mtids=103%2C104%2C105%2C106>

Project Title: Climate Resilient Santa Cruz: Graham Hill Water Treatment Plant Facility Improvements Project

Project Location/Address: The Proposed Project would primarily be constructed and located at the City's existing GHWTP, located within City limits. Additionally, the Proposed Project is anticipated to involve activities outside of the GHWTP for the purposes of temporary construction staging and potential utility and traffic safety improvements. These activities would occur in both City and County of Santa Cruz (County) jurisdictions. The Proposed Project is anticipated to be located at four sublocations of the approximately 17.1-acre primary project site, and construction would be supported using two staging areas, which together constitute the project site.

Lead Agency: City of Santa Cruz
Department/Division: Water Department
Address: 212 Locust Street Santa Cruz, CA 9506

Address Where Copy of Final EIR is Available:

Online review of the Final EIR is encouraged. The Final EIR includes responses to public comments received on the Draft EIR and can be reviewed online at:

<https://www.cityofsantacruz.com/government/city-departments/water/online-reports/environmental-documents>.

A printed copy of the Final EIR may be reviewed at the City of Santa Cruz Water Department Engineering Counter (212 Locust Street, Suite C in Santa Cruz). Please note that counter hours for the public are Monday through Friday, 1:00 PM to 3:00 PM. Interested parties may call 831.420.5210 or email the Water Engineering Section at waterengineering@santacruzca.gov to schedule an appointment outside of those hours.

A printed copy of the Final EIR is also available at the Santa Cruz Public Library, located at 224 Church Street in Santa Cruz; check with <https://www.santacruzpl.org/> or call 831.427.7713 for library hours and document access information.
