CONFLICT OF INTEREST CODE

CONFLICT OF INTEREST CODE FOR THE CITY OF SANTA CRUZ COUNCIL, ADVISORY BODIES, AND DESIGNATED CITY STAFF

ARTICLE I. STATUTORY PROVISIONS

In compliance with the Political Reform Act of 1974, California Government Code Section 81000 et seq., and specifically with Section 87300 et seq., the City of Santa Cruz hereby adopts this Conflict of Interest Code which shall be applicable to all designated employees of the City. The requirements of this code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code Section 87100, and are in addition to any other state or local laws pertaining to conflicts of interest.

ARTICLE II. PROVISIONS OF CONFLICT OF INTEREST CODE

Section 1. Definitions. The definitions contained in the Political Reform Act of 1974, Regulations of the Fair Political Practices Commission (2 Cal.Admin.Code Sections 18100 et seq.) and any amendments to the Act or regulations, are incorporated by reference into this Conflict of Interest Code.

Section 2. Designated Employees. The persons holding positions listed in Appendix A are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

Section 3. Disclosure Categories. This Code does not establish any disclosure obligation for those designated employees who are also specified in Government Code Section 87200 if they are designated in this Code in that same capacity or if the geographical jurisdiction of this City is the same or is wholly included within the jurisdiction in which those persons must report their financial interests pursuant to Article 2 of Chapter 7 of the Political Reform Act, Government Code Section 8700 et seq.¹

Such persons are covered by this Code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in Appendix A specify which kinds of financial interests are reportable. Such a designated employee shall disclose in his or her Statement of Economic Interest those financial interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in Appendix A. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interests which he or she foreseeably can affect materially through the conduct of his or her office.

¹ Designated employees who are required to file Statements of Economic Interests under any other agency's Conflict of Interest Code, or under Article 2 for a different jurisdiction, may expand their Statement of Economic Interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code Section 81004.

Thereafter, each person already in a position when it is designated by an amendment to this Code shall file an initial statement within thirty days after the effective date of the amendment.

(b) Assuming Office Statements. All persons assuming designated positions after the effective date of this Code shall file statements within thirty days after assuming the designated positions.

(c) Annual Statements. All designated employees shall file statements no later than April 1 of each year.
