Denim Day 2010

Wednesday, April 21 ALL DAY

WEAR JEANS in solidarity!

Challenge sexual assault myths!

Why Denim? Denim Day began in 1999 as part of an international protest to an Italian High court decision to overturn a rape conviction because the victim was wearing jeans.

Join with thousands of others throughout California who will make a point to wear Denim on this day to challenge one of the myths surrounding sexual assaults.

More information about Denim Day is available at <http://www.denimdayinla.org/>.

For Denim Day stickers or information about local programs for April, contact us at 831-420-5363 or cpvaw@cityofsantacruz.com.

As a community, let's raise our awareness and stand up against sexual assault.
