

**On the full moon
in March,
add your light to
nature's radiance.**

You are invited to join us for
TAKE BACK OUR STREETS 2012
A walk to bring our light into the darkness

Thursday, March 8, 2012

6:30 – 7:30 pm

Begins and ends at the Santa Cruz City Hall Courtyard
809 Center St., Santa Cruz

By walking with our candles/flashlights through the areas,
we bring our light to dispel the darkness of violence.
By coming together for a silent walk on sidewalks, levees, and other
public areas, we show our willingness to
work together to stop violence in our community.

Join us and together we will make a difference.
Bring a candle or flashlight, a friend, and dress warmly.

Co-sponsored by the Commission for the Prevention of Violence Against
Women (CPVAW) and Take Back Santa Cruz
