<u>VICTIM(S)</u> <u>AGE</u>

Female 38 years-old – Santa Cruz Resident

### **INFORMATION:**

UPDATE: Yesterday, at approximately 9:00 pm, Charles Anthony Edwards III was booked into Santa Cruz County Jail for homicide. Mr. Edwards was extensively interviewed by Santa Cruz Police detectives. The Santa Cruz County District Attorney's Office and State Department of Justice also aided in the investigation.

After interviews with multiple witnesses, and Mr. Edwards, investigators established that the victim did not know Mr. Edwards. It appears as though this was a senseless, unprovoked and random attack by Mr. Edwards upon an innocent victim. There is no clear motive. Investigators are attempting reconstruct where the victim was heading from and travelling to at the time of the attack.

Mr. Edwards has an extensive violent criminal history in San Francisco. It appears he had been in Santa Cruz for approximately a week.

During the course of the investigation a few elements that were originally reported by our agency were deemed to be inaccurate. Mr. Edwards did not have any local contacts with local law enforcement – he is also 43 years-old (not 44 as originally reported) and the victim is 38 years-old (not 39 as originally reported). The victim was determined to be a Santa Cruz resident and her identity is being withheld as family is still notifying additional kin today.

## **ORIGINAL RELEASE:**

On May 7, 2012 at 11:52 am, Santa Cruz Police officers received a report of a knife brandishing and possible stabbing occurring in the 300 block of Broadway. Officers immediately responded to scene and area perimeter. Officers located a female victim with multiple stab wounds and along with medical personnel attempted to render aid. The victim was pronounced dead at the scene a few minutes later. Perimeter officers located a male subject matching the description of the suspect a short distance away at Barson and Campbell. Based on witness statements and items of evidentiary value found at the scene and on the suspect, officers arrested the male suspect for homicide.

At the scene officers located a weapon believed to have been used in the attack. State Department of Justice officials have been called in to help with evidence processing. At this point investigators are unsure of what relationship, if any, the suspect and victim had. There is no known motive at this stage of the investigation. Officers have closed Broadway between Campbell and Ocean for evidence processing and traffic is being detoured in the area.

The Coroner's Office is attempting to locate the next of kin of the victim. The victim's name will not be released until her family has been notified. The suspect's name will be released once some of elements of the investigation are

completed today. Investigators learned that the suspect had previous contacts with San Francisco Police and local police and are working to determine what those contacts were. This is the first homicide in the city in over a year. There are no additional outstanding suspects associated with this case.
