

October is Domestic Violence Awareness Month.

You are invited to join us for
a walk under the October full moon
to dispel the darkness
of domestic violence.

Friday, October 18, 2013 7:00 pm

Begins at the Santa Cruz City Hall Courtyard
809 Center St., Santa Cruz

With our candles/flashlights,
we are gathering to walk
along sidewalks, levees, and pathways
to show our willingness to
work together regarding domestic violence in our community.

Bring a candle or flashlight, a friend, and dress warmly.

Sponsored by the Commission for the Prevention of Violence Against Women
