MEDIA RELEASE

DATE/TIME: October 24, 2016

LOCATION: Downtown Santa Cruz

TOPIC: 2016 Halloween Safety Enhancement Zone - Street Closures – and No Parking

INFORMATION:

The Santa Cruz Police Department is completing our preparations for Halloween night 2016.

To encourage respectful behavior, the Santa Cruz Police Department has enacted a Safety Enhancement Zone designation in the Downtown corridor for Halloween 2016. The Safety Enhancement Zone begins at 12:00 a.m. on Saturday October 29th and runs through 3:00 a.m. on Tuesday November 1st.

The Safety Enhancement Zone includes TRIPLE FINES for certain Municipal Code violations committed in the zone during the designated times. Examples of fines are included on the attached flyer.

In addition to the Triple Fines, the Safety Enhancement Zone will also dictate road closures and No Parking zones. Road closures and No Parking locations and times are included on the following pages.

Annually, Halloween draws large crowds to the downtown during the evening and late night. The police department will utilize over 100 uniformed police officers from the Santa Cruz Police Department and neighboring agencies to staff the event. Officers will be using a proactive strategy to minimize problems and reduce the opportunity for alcohol fueled problems and inappropriate behavior throughout the night.

Last year the police department responded to 423 calls for service, issued 40 Triple Fine citations and made 27 arrests during the Halloween evening. The crowd size was estimated at 18,000+. In addition to the additional officers, there will be increased lighting and portable restrooms throughout the downtown corridor.
