Director Rebagliati noted that the ADU ordinance and the Wharf Plan went to the City Council. Council changed the Transit Center definition to one half mile from the Metro Center. The Wharf Plan was the final item of the evening and the Council recommended on the advice of the City Attorney that a full EIR be prepared to forestall anticipated litigation. That process will likely take up to nine months. The December 15, 2016 meeting will be cancelled.

**Items Referred to Future Agendas —** None.

**Adjournment —** 10:40 p.m.

The next Planning Commission meeting is scheduled for December 15, 2016 in the City Council Chambers.

Any writing related to an agenda item for the open session of this meeting distributed to the Planning Commission less than 72 hours before this meeting is available for inspection at the City Planning Department, 809 Center Street, Room 107 or on the City's website [www.cityofsantacruz.com](http://www.cityofsantacruz.com). These writings will also be available for review at the Planning Commission meeting in the public review binder at the rear of the Council Chambers.

**APPEALS** - Any person who believes that a final action of this advisory body has been taken in error may appeal that decision to the City Council. Appeals must be in writing, setting forth the nature of the action and the basis upon which the action is considered to be in error, and addressed to the City Council in care of the City Clerk.

Appeals must be received by the City Clerk within ten (10) calendar days following the date of the action from which such appeal is being taken. An appeal must be accompanied by a five hundred fourteen dollar (\$514) filing fee, unless the item involves a Coastal Permit that is appealable to the Coastal Commission, in which case there is no fee.
