NARRATIVE				
<p>On October 16, 2016 at approximately 0357 hours I was contacted at home by Dispatch at which time I was informed that an officer involved shooting had just occurred in the city of Santa Cruz. I was the on-call Detective Sergeant assigned to the Persons Crimes Division of the Investigations Section of the Santa Cruz Police Department. I was directed to contact Sergeant Clayton #119 who was on duty patrol supervisor. I phoned Sergeant Clayton at which time he briefly gave me the following information.</p> <p>Sergeant Clayton stated that he had already contacted Operations Lieutenant Le Moss who was already on his way to the scene. He went on to say that only one officer discharged their firearm while some of the other members of his team had deployed Tasers, including himself. He identified the shooting officer as Officer Bailey #146. I asked him who else was involved or were there any other witness officers. He responded that it was basically his entire team, including him. It shall be noted, during that evening and into the next day the rain was heavy and winds were gusty. It was obvious that based on the nature of the incident and the weather conditions he was having a difficult time communicating with me. So I directed him to ensure the scene was secure and his involved officers were returned to the SCPD. I informed him that I was on my way in to assist. I responded from my residence and arrived at the SCPD at approximately 0425 hours.</p> <p>Once at the SCPD I met with Lieutenant Escalante #118 who informed me that it appeared the District Attorney's Office was going to assume primary investigative responsibility. At that time I began assisting with the coordination of personnel in the event we would be needed to assist the District Attorney in their investigation. A short time later I was contacted by Officer Cockrum #132 who informed me that she had transported the original Reporting Party to the SCPD and he was currently in the SCPD Investigations Lobby interview room. She further stated she was concerned because the Reporting Party was on the phone with an unknown person and may be sharing facts of the case with the recipient of the call. I confirmed our audio/video recording system for that room was activated and contacted the Reporting Party identified as [REDACTED] [REDACTED]</p> <p>I contacted [REDACTED] and confirmed that he was in fact on the phone in the middle of a conversation. He promptly hung up the phone when I entered the room. I introduced myself</p>

to [REDACTED] and informed him that we would have an investigator meet with him shortly to collect a statement from him. I requested that in the meantime if he could refrain from communicating with anyone, specifically about what he witnessed in relation to this incident. He told me that he was only on the phone with his wife and they were concerned about the welfare of their neighbors, specifically [REDACTED] and [REDACTED] because they have been unsuccessful in reaching them. He said he had already provided this information to officers at the scene. I informed him that I was already aware of that piece of information and my understanding was that officers in the field were in the process of addressing that concern. For further information regarding my contact with [REDACTED] refer to the audio/video recording booked in as evidence item# 189BC-001.

A short time later I was contacted by Lieutenant Escalante who informed me that I was requested to respond to the scene and eventually respond to the residence of the decedent, Sean ARLT, in the event notification to the family was needed to be made. The referenced family was the same neighbors [REDACTED] had expressed concern for to me during my contact with him. Prior to responding to the scene I conducted a brief local workup on Sean ARLT. I noted that there were multiple entries in our RMS Alliance, one of which was as recent as October 11, 2016. I briefly looked into this case (16S-08563) and noted that he was contacted on that date in the area of [REDACTED] Chace St., was ultimately detained for a 72-hour mental health evaluation and arrest upon his clearance for a violation of 148(a)(1) PC-resisting arrest. So in order to be able to confirm his identity I researched our Mugshot Jail Tracking system to obtain ARLT'S most recent booking photograph. However, I was unable to locate such photograph which I found odd, but based on the limited time frame I had to research further I resorted to collecting his Cal-DMV photograph. I took the Cal-DMV photograph with me to the scene at which time I arrived at 0600 hours.

By this time I was informed that officers and SCSO Deputies had already responded to J. ARLT and [REDACTED] residence located at [REDACTED] Plateau Ave. for a welfare check and contacted them. It had been confirmed that their son, S. ARLT, was not at the residence and they had discovered that the rear sliding glass door which leads to S. ARLT'S detached living quarters/granny unit was shattered. In addition, several personal effects of S. ARLT'S were discovered to be strewn about the back patio area. It was relayed to me by Officer Rock

#184 that it was believed by the family that S. ARLT was responsible for this damage. It also supported the belief that S.ARLT was bleeding at the time he was pounding on the front and rear doors demanding entry at the [REDACTED] residence.

I entered the taped off crime scene from the north on Getchell St. at approximately 0603 hours and contacted Lieutenant Le Moss. I approached the body which was lying approximately 50 yards ahead of me near the middle to east side of the street. The body was covered in a yellow blanket and officers on scene were attempting to preserve the crime scene as best they could by erecting pop-up canopies and screens. I walked over to the body and at approximately 0605 hours lifted the yellow blanket exposing the head and face area. Comparing the Cal-DMV photograph to the body, I was satisfied the body was in fact S. ARLT. I noted that his apparent age, hair color, facial features and eye color were the same as the photograph. In addition, as I lifted the blanket further I noted the overall size and build of the body was consistent with S. ARLT'S physical descriptors. I later booked the Cal-DMV photograph into SCPD Property as evidence.

I then cleared the scene and responded to [REDACTED] Plateau Ave. At approximately 0621 hours I contacted Officer Rock and a female Deputy in front of the residence. It was at this time that Officer Rock briefly informed me that J. ARLT and [REDACTED] had been contacted and he had also collected photographs of the two broken sliding glass doors. He stated that J. ARLT had not yet been informed about the circumstances surrounding his son, but that a Detective would be contacting them shortly. I had been contacted and directed to standby prior to contacting the family until further notice. The SCSO Deputy was cleared from the scene at that time.

At approximately 0712 hours I was contacted by J. ARLT in front of his residence. He informed me that he had called local hospitals and was unable to locate his son. He requested for someone to let him know what was going on. At that time I requested to speak with him inside his residence to which he agreed. He returned to his residence and I gathered my notes. During that time I phoned Lieutenant Escalante and informed him that I was going to meet with the family and make notification. He directed me to go ahead with the notification, but inform the family that a DA Inspector would be enroute to contact them as

I had activated my audio recorder and recorded my contact with them. As we were all seated I first introduced Officer Rock and I. I confirmed their son was in fact Sean ARLT. I then informed them of the news of their son's death and enough information surrounding the circumstances of the incident in order to understand how he died. I then proceeded to offer them services through our SCPD Victim Advocate Schneider at which time J. ARLT'S responded, "No, that's ok. It's so tragic. Umm, that it's just such a failure of the mental health system." [REDACTED] added, "We've been trying to get him help all week. We took him to the ER. Then Telecare, they just let him go. He came back here. We were trying to keep him safe until we could find some way to...it's a huge failure. A huge failure! I mean, that he would have to be killed. I don't understand, can't you shoot somebody in the leg?" For further information regarding my conversation with J.ARLT and [REDACTED] refer to the audio recording booked into SCPD Property as evidence. A short time later, Advocate Schneider arrived at the residence and contacted J. ARLT and [REDACTED] After Advocate Schneider's arrival, I excused myself from the family allowing them some private time with Advocate Schneider.</p> <p>I was then contacted by Lieutenant Escalante who informed me that DA Inspectors were on their way to contact J. ARLT and [REDACTED] In addition, SCPD Detective's would be enroute to process the scene which included the broken sliders. I re-contacted J. ARLT and [REDACTED] to inform them the DA Inspectors were on their way at which time we arranged a 0930 time to meet. It was during this time that [REDACTED] informed me J. ARLT was outside cleaning up the broken glass around the broken slider. I asked that he stop cleaning it up because we would like to further photograph and process it. She immediately stopped J. ARLT. At approximately 0824 hours when Detective's DeOcampo #167 and Williams #186 arrived on scene I notified J. ARLT that we would be in their backyard. As we entered the backyard area, I had already seen the broken glass from the time I was inside their residence. As we entered the backyard area Detective's DeOcampo and Williams proceeded to take photographs of the area. Upon further inspection of the granny unit identified as S. ARLT'S living quarters we recognized that legal authority would be prudent and consent from J. ARLT</p>

and/or [REDACTED] would not suffice. We immediately stopped what we were doing and cleared the backyard. I then re-contacted J. ARLT at the front door of his residence and explained this to him. I informed him we would continue with this process once we obtained a search warrant.

At approximately 0920 hours DA Inspectors Rogers, Delfin and ADA George arrived on scene. I introduced them to J. ARLT and [REDACTED]. At approximately 0945 hours the DA Inspectors, ADA George, Advocate Schneider, J. ARLT, [REDACTED] and a family friend left the residence to meet at the DA Inspectors Office for interviews.

At approximately 1010 hours I was relieved at the scene by Detective Cline #189. I was ordered to return to the SCPD for further direction.

At approximately 1345 hours I was directed to respond to Dominican Hospital in order to obtain a blood sample from Officer Bailey. Officer Bailey was transported to Dominican Hospital by Officer Kendall #151 who had responded and was involved in this incident in a peer support capacity. I followed Officer Kendall in Officer Bailey's vehicle directly to Dominican Hospital ER. We arrived and were seen by Dr. Yellin and subsequently Phlebotomist Jennifer MUESCHEN obtained a blood sample from Officer Bailey. At approximately 1428 hours I witnessed MUESCHEN draw a vial of blood from just above the crook of Officer Bailey's right elbow. I collected the blood sample and later booked it into SCPD Property as evidence. I cleared Dominican Hospital at approximately 1434 hours.

During my time out in the field I learned that Detective Cline had collected a statement from [REDACTED] while he was at the SCPD. I later reviewed Detective Cline's report documenting [REDACTED] statement. I also compared it to the 9-1-1 call from [REDACTED] to Dispatch on October 16, 2016 at 0330 hours. I had requested the 9-1-1 audio recordings and radio traffic recording from NETCOM which I received from them in digital format on October 16, 2016 at approximately 0947 hours. Based on the information obtained from [REDACTED] 9-1-1 call and the statement he provided to Detective Cline, I believe that S. ARLT had committed a violation of 422 PC-criminal threats when he arrived unannounced at the [REDACTED] residence at 3:30 a.m. pounding on the front and back doors demanding entry and threatening to kill

everyone inside. [REDACTED] described S. ARLT as the "crazy kid" with "psychological problems" and having blood on his hands at the time he was screaming out loud. [REDACTED] stated he was so concerned for, not only he and his wife's safety, but the safety of their tenant who resides in their converted garage, that he armed himself with a frying pan. He also informed Detective Cline that once SCPD Officers arrived on scene S. ARLT entered his garage and retrieved a rake, a violation of 459 PC-burglary. [REDACTED] indicated that he pled with S. ARLT to put the rake down as he saw him walk out to the police.

I later researched a similar rake on the internet based on make and model which I located a similar on the ACE Hardware website. The URL is as follows:

<http://www.acehardware.com/product/index.jsp?productId=1276884>

From this website the Truper bow rake is described as:

Head Width: 14 in.
 Handle Length: 54 in.
 Handle Material: Wood
 Product Type: Bow Rake
 Cushioned Grip: No
 Coated Tines: Yes
 Rake Width: 14 in.
 Rake Shape: Curved
 Head Material: Steel
 Tine Material: Poly
 Listed Price: \$59.94

For further details about the rake refer to the Santa Cruz Sheriffs Office who processed the crime scene.

S. ARLT'S actions following the retrieval of the rake from [REDACTED] garage and his confrontation with the responding officers are recorded in statements obtained by the DA

NARRATIVE

On the morning of 10/16/16, I was sent to assist with scene processing to the area of Chace St and Getchell. I arrived at approximately 0700 hrs. Part of my duties were to contact any surrounding residents who came outside while I was there. I spoke with several residents and obtained statements from those that saw or heard any of the incident.

[REDACTED] is a resident of **[REDACTED]** Getchell. She told me that at about 0330 hrs this morning, she heard a commotion that included someone yelling and what she thought was fireworks. She was awoken by the noise and checked her clock to see the time. She heard the yelling first but she could not make out what was being said. She then heard two banging sounds that she assumed was fireworks, and then it got quiet.

[REDACTED] is a resident of **[REDACTED]** Getchell. He said he heard two gunshots this morning following what he thought was the sounds of a dispute between people yelling at each other. He heard "scuffling" prior to the shots and, after the shots he heard "moaning and groaning." **[REDACTED]** looked out the window and saw police vehicles and officers in the street, but he could not tell what they were doing. He estimated this happened at about

[REDACTED] lives at [REDACTED] Getchell. He heard someone screaming and yelling by himself for "quite a while." His wife [REDACTED] looked out the window and saw police cars. [REDACTED] then heard what he believed were commands given by the police to the effect of "Don't do that," "No," or "Stop." [REDACTED] then heard "one or two shots" and then people talking, but he couldn't tell what they were saying.

[REDACTED]:
 While I was speaking with [REDACTED], [REDACTED] (his wife) came over and told me she also heard the officers giving commands. She believed the command was "Stop," but she wasn't sure. She also heard two shots but did not hear anything happening afterwards, so she did not think anything actually happened. She said this happened at about 0330 hrs.

I recorded the statements of the above witnesses and downloaded them onto the Q drive.

I also spoke to the following residents who said they did not see or hear anything:

CASE SUMMARY
Investigations call-out.

NARRATIVE

██████ was a witness to a recent case in which Arlt had been detained by the police and ultimately taken to the TELECARE CSP (Santa Cruz County Crisis Stabilization Program). That case (16S-08563) originated on 10/11/2016 at approximately 2110 hours. ██████ told me that Sean Arlt rushed in to the ██████ residence at ██████ Chace St through the unlocked front door during the Giants game. ██████ said that Arlt had "blood all over and was in stocking feet". He told me that Arlt was "hyperventilating, clearly in a psychotic state". ██████ and his wife (██████ ██████) brought Arlt into the kitchen to calm him down and to help clean up some of the blood. Once Arlt had calmed down a bit, ██████ walked over to the Arlt residence at ██████ Plateau Ave. He notified ██████ and ██████ Arlt of the situation and ██████ Arlt called for a police response.

██████ told me, "The police came - 8 cars. They - he had two pens and was doin' this with 'em." ██████ demonstrated Arlt's actions by holding his fists at shoulder height and making motions with the thumbs on each of his hands, as if he were clicking the ends of each of the pen. ██████ said that Arlt was holding the pens in that fashion when the police contacted him. He explained, "And they tazed him and took him to the hospital. And I can't believe that they released him. They released him the same day." ██████ and his wife later met with ██████ and ██████ Arlt to try to help create a plan for Sean Arlt's treatment. ██████ is a therapist and she tried to provide input for resources for the Arlt's. ██████ stated, "He needed to be institutionalized. I can't believe they released him."

██████ continued, "So tonight, at 3:30 in the morning, we hear him - we had locked our doors, but he was pounding on the door knock - You know, the door knocker. And talkin' and screamin', and saying he's Jesus Christ Superstar, and on and on and on and on about stuff. And I saw him, and he saw me and he recognizes me. And I told - I yelled at him. I said, 'Go home!' you know, 'Get out of here!' He wouldn't go and that's when I called 9-1-1 and asked them to come take him away. 'Cause we also called the parents but they didn't answer tonight. We text then and called them but they didn't answer the phone. So we called 9-1-1. The main focus of what he said to me was all over the place. But at one point he did say, 'I don't care if I die.' You know. And he did say something about killing everyone

in the house. So that was a little freaky. And that he was Jesus Christ Superstar and he'd killed thousands. He's got this delusion that he's some sort of a rock star."

██████ was waiting for the police to arrive so he called 9-1-1 again. Arlt went around to the back of the house while the police were still enroute. ██████ turned on all of the exterior lights around his house. He told me that he became worried about his 18 year old female tenant (██████) who lives in a garage unit. ██████ could hear Arlt having conversations with himself at the back of the house. He grabbed a frying pan from the kitchen for protection and warned Arlt not to try to come in the door. ██████ explained, "I said, 'Don't come in.' I told him, 'Don't come in the door.' And leave. I told him to leave."

██████ told me that his wife was scared so went to talk with her briefly. Just then, ██████ heard Arlt pounding on a back window with an umbrella. He didn't say where the umbrella had come from. ██████ described, "So, he's pounding on the window, but not enough to break it. You know. I mean, he could have broken it I think, but he's making a lot of noise. 'Bang bang bang', and there's blood everywhere. You know, blood on the windows." I asked ██████ if he could tell where the blood was coming from. He said, "His hands. He runs, and he falls down and the night before - I assume that, 'cause I don't know. I didn't look at him. I didn't see him up close. I mean, I saw him up close, but the night before his hands were all bloody from probably fallin' down in the street runnin' over. So I assume the same thing's happening."

██████ said, "So the police come and they just stay outside. You know? He's just - I don't understand why none of them - there are like 8 of them. No one would come in. They had to stand out in the street." I asked if Arlt had entered the house at that point. ██████ stated, "No. I never let him in the house. He's pounding on the door. And, you know, I wasn't going to go out, um, you know. I guess they (the police) were scared. I was scared too at the time."

██████ continued, "Then he goes into the garage and comes out with a rake in his hand. And I'm yellin', I said 'Pl...Sean, the police are here! Put the rake d...You know, but I did want him to go. I wanted him to go. I either wanted the police to come in, or him to go out. And

they wouldn't -they didn't want to come in apparently. I clarified, "Into the back yard?" [REDACTED] replied, "Yeah. I don't understand. Why wouldn't they come in? So he goes out with the rake and he's walkin' and they're yellin' at him, 'Put the (wake). Put the rake down!' and then, 'bang bang bang'. And he went down. They shot him."

[REDACTED] told me that he hadn't ever opened the door to his residence until after Arlt went out through the fence gate toward the police officers. From his vantage point, he couldn't understand why the police wouldn't just shoot Arlt in the legs or something. [REDACTED] also told me that he still couldn't understand why the hospital released Arlt. He said, "This guy needed help. He needed to be institutionalized. That's just, just really sad." I confirmed with [REDACTED] that he never opened the door when Arlt was trying to get in. He explained, "No. Not until he went out. When he went out - we have a, we have a fence and a gate. And when he went out the gate, to the po - like he wanted to...I don't know. He walked to the police at that point. He's crazy. And I came out and followed at that point and then - I didn't actu...I heard the shots. I didn't see it. And then I went out. As soon as I heard it, I came out and he was lying on the ground."

I asked [REDACTED] if he had seen the rake which Arlt was carrying. He replied, "Oh yeah. It's not the. It's the one that's not a nice rake. You know. It's the metal one, the short ch, ch, ch (demonstrating raking motions), like you would use for dirt. Not like for raking up leaves. It's definitely not a - It's a scary thing if someone comes at you." [REDACTED] told me that the rake was made out of steel. He also said, "The police had a right to defend themselves. I just don't understand why they don't shoot him in the legs or something instead of shootin' to kill." I explained that the police do not train to shoot extremities because of the likelihood of a missed shot endangering others.

I asked [REDACTED] for clarification on Arlt's statement that he was going to kill everyone inside the house. He told me, "He said something like that. You know, but that was a small part of the conversation." [REDACTED] explained that he wasn't listening to every word. He said that he thought there were actually two people outside for a while because of how Arlt was talking.

NARRATIVE

█████ thought that Arlt's parents might have shown up, but it turned out that Arlt was just talking to himself. █████ stated, "But he did definitely mention something about being Jesus Christ Superstar. And he did say something about either killing the people inside, or if everyone inside was dead. He didn't care if he died. I never thought that's what he was gonna do, but um, he definitely said something like that. You know. And so we were scared too."

█████ confirmed that he and his wife had sufficient fear that he ensured all the doors of his home remained locked, and that he armed himself with a frying pan. He told me, "I grabbed a pan. I told him, 'If you come in this door.' You know, I told him, 'Don't come inside.'" I asked █████ if it was a cast iron skillet. He said, "Yeah." █████ continued, "I didn't get a knife. But I mean, I would've hit him with it if he'd come in. I didn't want him to come into the house at all. And he did back off. And so I started - and then I started worrying that he would go into the garage. And if he had, I would have gone outside. But um, I just figured the police would come, and come get him. But they came and just sat out there. They didn't come inside at all."

I asked █████ if he had an idea when Arlt's mental health issues started, and he said that it was about 9 months ago. He said that Arlt had been getting progressively worse more recently. █████ told me, "He did this Hypnotherapy, and then you know, he started believing that his father was, or saying that his father was gonna kill him, and that kind of stuff. It was crazy talk. And uh, so I don't know which came first. You know?" █████ told me that Arlt had been living in the garage at his parents' house. █████ had seen Arlt a few times in the past 9 months and said that he could tell, "He wasn't exactly right, but this last two incidences were far and away the worst things."

Besides █████ and his wife, their tenant █████ was the only other person in the residence(s) of █████ Chace St. █████ was sure that █████ was aware of the disturbance being caused by Arlt, but that she stayed inside the whole time. I asked him if █████ had woken up during the disturbance. █████ told me, "We started texting her and telling her - we told her about the

incident three or four nights ago; whenever it happened. And um, so as soon as this started tonight, my wife called her and texted her and told her just to stay in. You know, stay in the garage."

Because [REDACTED] had told me that [REDACTED] lived in the garage, and he had described Arlt as having taken the rake from the garage, I asked him for some clarification. [REDACTED] explained that there is a separate area in the garage where tools and bicycles are stored. There is a big room in the back with a separate entrance, and that is where [REDACTED] stays. [REDACTED] said, "Thank god he didn't go back there, 'cause then I would have had to gone out and confront him. And I didn't want to have to do that."

[REDACTED] went back over the details of the incident with Arlt from 10/11/2016. I told him that it was my understanding that it took several officers to take Arlt into custody, and Arlt appeared to have been very strong when he was in that psychotic state. [REDACTED] didn't have that opinion, stating that Arlt was the same size as him. He told me, "It could have been. I mean, he's my size. They didn't do anything. They just zapped him. I mean, he, he - what he was, you know, I don't know how to explain. He's going clk clk clk. ([REDACTED] again demonstrated Arlt's actions by holding his fists at shoulder height and making motions with the thumbs on each of his hands, as if he were clicking the ends of each of the pen.) You know, he's goin', clickin' pens like this. And it can be seen as threatening when you do somethin' - when you do it like this. You know? 'Cause when he started doing it in the house, I said, 'Sean, put the' You know, 'Put the pens down.' It's just weird you know, like he could stab you with it. And he's just clickin' 'em. So he put one down, and he wouldn't put the second one down, so they zapped him." [REDACTED] first told me that he had witnessed the Taser deployment, but later explained that [REDACTED] had witnessed it and told him what had occurred. He said, "I did not see that. [REDACTED] saw it."

I asked [REDACTED] to walk me back through how the incident of 10/11/2016 had unfolded. He explained, "We're in the house. We're watchin' the Giants, they're up by 3. He comes blastin' through the front door, I mean literally like, like he's been running. Just (crashing

He's got blood on his hands, and he's in his stocking feet. We brought him into the kitchen, sat him down (phone vibrates) - That's my wife again, sorry." Because we have not, never really dealt with him when he is was this far out of it. You know. And he starts tellin' these incredible stories you know, 'I was - my father's been tryin' to kill me.' You know, 'He's been raping me my whole life.' Um, which, I don't believe that for a second. Sean's big and strong enough. And I said, 'Well did something happen tonight?' And that's when he started doin' this whole pen thing. And uh, oh boy let me think. This is really - it's hard to remember the exact things and the exact times. So the parents are there, um, actually the police might have shown up. They were sittin' out front. Uh, they might have shown up first and Sean went out the back gate, and he was along the sidewalk, and I followed him. And then once the police were there, they're talking with him and I said, 'Okay, I'm finished.' Everything's calm, everything's good, the parents are there, the police are there. I went back to the house, but [REDACTED] stayed outside. And she said he had - they told him to put the - he was still doing this thing with the pens. They said, 'Put 'em down.' He put one down and he wouldn't put the other one down. And she said that's when they tazed him, but I didn't personally see that. Um, but she did. And they took him awa...and at that point, I came back outside and they had him in cuffs. And um, and they, you know, they took him away. And the police interviewed me there, thenand her. I asked [REDACTED] if there was anything else about the current incident which he thought I

should know. He stated, "He wasn't going to go away." He told me that Arlt was probably there because his house had been like a second home to Arlt when he was growing up. Until recently, they hadn't had any real contact with Arlt for over 10 or 12 years. [REDACTED] explained, "I can't really think of anything new tonight, other than what I already told you. But it's, it's not a good feeling." I told [REDACTED] "No. And nobody ever wants anything like that to happen." He responded, "I know. I know. The police were - they were good. Seemed pretty good."

[REDACTED] recalled seeing four police cars and possibly a fire apparatus on scene. I asked him to tell me again what he heard the police saying when Arlt went out to gate toward them. He stated, "They told him put - they said, 'Put down the rake.' Maybe twice; I might have heard that a couple of times. And then, 'bang bang bang'." When I asked about the number of shots he heard, [REDACTED] said, "Two or three shots. I'm not sure if it's two or three. It might have been just; 'bang bang', but they were definitely a different sound than the Taser. And then, what was interesting to me was he was lying on the ground and I didn't see a lot of blood, or any blood actually. And he was almost naked. I don't know if he took his shirt off or whatever, but they uh - I don't know. I don't want to put judgement on, 'cause I wasn't there, but it seemed like they should have had an ambulance coming, if they shot him or something. I don't think an ambulance ever came." [REDACTED] said that he stood out in the rain watching as the officers dealt with Arlt on the ground. He said that Arlt was in handcuffs and officers were talking to him and trying to get him to stop kicking. He told me that he offered to get the officers a blanket. [REDACTED] said, "At that time, I'm not sure whether he's been shot or just like rubber bullets or somethin'. You know. I was thinking, maybe, because I didn't see a lot of blood. But anyway - and um, then the one officer came and said, 'Listen, someone will want to interview you.' And I know he's still alive 'cause I can see him movin'. You know. And all this was probably over the course of again, time is hard, in a situation like that as you know, the time probably seems a lot longer than it was. But it seemed like it was 15 or 20 minutes he was lyin' there. And no ambulance, no nothin'. And so I figure he's fine. You know? It wasn't until I got here that I found out he was dead. It's just so sad." [REDACTED] told me that he had watched the entire time while standing in his driveway, which was about 50 feet

CASE SUMMARY
Investigations call-out.

NARRATIVE

D: Hello?

CALL ENDS

The 9-1-1 recording were booked into evidence by Sgt Vasquez as Item 115AV-007.

PLATEAU AVE SEARCH WARRANT SERVICE 10/16/2016

Sgt Vasquez had been maintaining scene security at Sean Arlt's residence which is a converted detached garage at **Plateau Ave.** I was assigned to relieve him and to maintain scene security pending the authorization of a Search Warrant for the residence. I arrived and relieved Sgt Vasquez at 1010 hours.

I maintained scene security until 1340 hours, when Detective Warren arrived with the Search Warrant. Sgt Harms, Detective Warren, Detective Williams and Detective DeOcampo executed the Search Warrant at that time. I stood by and assisted in labeling evidence bags as items of evidence were photographed and collected.

Arlt arrived home while we were still at the residence. He advised that he had taken Sean's cell phone and laptop from his room and placed it in his home to avoid them becoming damaged by Sean. **subsequently** turned those item over to Detective Warren pursuant to the Search Warrant.

RECOMMENDATION

Forward to the District Attorney's Office for review and to the Critical Incident Management Team for review.

CASE SUMMARY
Checked out some property and made copies for the family.

NARRATIVE

On about 8-1-17 I received an email from DC Flippo instructing me to check out items 154BW-007, 009, 010, 011,012, and 013. I was told to make copies of all these items of evidence in order to turn them over to the City Attorney's Office.

On 8-2-17 I checked out all the above listed items of evidence and had Records Attendant Kendall make copies. Once the copies were made all of the original evidence and the copies were stored in Sgt. Morey's office. We waited to hear from the City Attorney's Office whether we were turning over the copies or the originals. On 8-21-17 Sgt. Morey informed me we were turning over the copies and all the originals could be booked back into evidence.

On 8-22-17 I re-packed all the items of evidence and booked them back into property as evidence. The copies were left with Sgt. Morey to turn over to the City Attorney's Office.

End of report.

NARRATIVE

On 10/16/16 I responded out to [REDACTED] Chace St to relieve CHP who was handling a traffic control position at Chace St and John St. I arrived on scene and took over the position, preventing any vehicle traffic from traveling eastbound on Chace St.

Lt. LeMoss #114 then asked that I respond to his location at Chace St and Getchell St. I contacted Lt. LeMoss and he asked me to take a position inside the crime scene and monitor the houses inside the scene and contact anyone who may come out. I entered the scene at 0741 hours and checked in with CSO Sanchez #442 who was keeping a crime scene log for our location.

A short time later, Lt. Lemoss had been contacted by a nearby resident who had heard something that morning. The subject was verbally identified as [REDACTED] I activated my digital recorder and spoke with [REDACTED]. He stated that he was woken up early in the morning by a male subject "out of his mind". [REDACTED] said that he heard the subject scream "Fire, Fire" [REDACTED] went on to describe the subject as "being as insane as you could be". He said it would get quiet, then the subject would start screaming again.

CASE SUMMARY
 Responded and assisted with scene security and processing.

NARRATIVE

[REDACTED] then heard a pop, pop and stated that it sounded like gunshots. I tried to get [REDACTED] to estimate the time and asked if it was after midnight and he stated yes.

I then returned to the scene and monitored people coming from their houses. At approximately 0830 hours, I contacted a resident from [REDACTED] Getchell St. He verbally identified himself as [REDACTED] and stated that he lived in the front studio. I asked him if he heard anything that morning and he stated that he was woken up to a loud boom. [REDACTED] then said to himself that it sounded like a gunshot. He then said that he opened up the window and heard voices then what he thought was a walkie talkie. He said that at that time he believed that the police were there and came out to see what was going on. [REDACTED] said that he was contacted by a female SCPD officer and he gave her his name and contact phone number.

Later on I assisted SCSO Crime Scene Investigators with obtaining measurements of both evidence marked at the scene as well as vehicles in the area.

NARRATIVE

Supplemental Report:

On 10/16/2016, at approximately 0330 hours, while at County Jail, I overheard Dispatch broadcast a call of a 5150 on Chace Street. The reporting party provided Dispatch with the subject's name, Arlt. There had been an Officer Safety Bulletin and much discourse regarding a previous altercation involving Arlt the week prior. Officer Baker and I advised other Officers over the air that this was the same subject with whom Officers had physically fought and tased. Dispatch broadcast an update that Arlt was saying he wanted to "kill people." Sgt. Clayton, 119, instructed the whole team to respond to Chace Street.

As I continued to complete my Jail intake paperwork in the Sally Port, I heard Officers arrive on scene all at the same time. Officer Bailey, 146, advised that they see the subject, Sean Arlt, and that he was holding what he believed to be an umbrella. Officer Bailey's radio transmission was scratchy and barely readable, perhaps due to the weather conditions. Moments later, Officer Bailey broadcast, "Shots fired. Shots fired." Officer Baker repeated this transmission. I was unable to leave County Jail, at the instruction of the on-duty Sergeant and Lieutenant. I completed the intake process and responded Code 3 to Chace Street. It should be noted that Chace Street was dark and it was raining and had been for

NARRATIVE <p>several hours.</p> <p>Upon arrival, Fire was rendering aide to Arlt, who lay lifeless on the pavement beside a white Subaru station wagon in front of [REDACTED] Getchell Street. There was a large metal rake in the roadway beside Arlt. Officer Bailey, 146, was removed from the scene by Officer Baker, 159. Shortly thereafter, Fire pronounced Arlt deceased. Sgt. Morales, of the Santa Cruz County Sheriff's Office, arrived on scene and became the Officer in charge, as Sgt. Clayton was involved in the incident.</p> <p>Crime scene tape was put up to block access on Getchell Street at Chace Street and on Getchell south of Delaware Avenue. SCSO Deputy Ramponi started a crime scene log. I was stationed at Getchell, south of Delaware Ave. for scene security. I advised Deputy Ramponi of all parties who entered and exited the crime scene from the Delaware Avenue side. I was relieved a short time later by UCSC Officers.</p> <p>I assisted Detective Warren, 154, in setting up the Crime Scene Screens, which were secured with sand bags. I remained on scene at the direction of Lt. Lemoss, 114, until day shift units arrived on scene.</p> <p>Attach to CR-1.</p>

NARRATIVE

Supplemental Report:

On 11/08/2016, at approximately 0830 hours, Lt. Escalante, 118, provided me with Officer Bailey's camera in order to remove photographs from a previous case. The pictures had yet to be downloaded onto the Q-drive and were requested by the DA's Office.

I downloaded 22 photographs that Officer Bailey had taken on 09/21/2016 at Cedar and Cathcart Streets for a DUI arrest (case 16S-07946).

The camera was promptly returned to Lt. Escalante.

NARRATIVE

On 10/16/16 at approximately 0345 hours, I was dressed in full Police uniform, and was writing reports at the Police Department. I heard a call being dispatched to other Officers at Chace Street. I recalled hearing that there was a 5150 male banging on the windows of the residence, stating he wanted to kill everyone inside.

I heard several Officers, including Sgt. Clayton #119, acknowledge the call and respond. A short time after units arrived on scene, I heard PO Bailey #146, broadcast that they had eyes on the suspect, and he was holding an umbrella.

A short time later, I heard PO Bailey broadcast "shots fired" over the radio. I then responded from the Police Department, and arrived minutes later. It should be noted that seconds after "shots fired" was broadcasted, a "code 3" medical request to the scene was made.

Upon my arrival, the suspect, later identified as Sean ARLT, was laying on the East side of Getchell St just North of Chase St. Officers were rendering First Aid by cutting off his clothing and applying pressure to his left ear, which was bleeding.

I noted that ARLT was groaning and yelling. I could not make out what he was saying. I

noted that his legs were moving around in a kicking manner, and he was trying to sit up. Officers were knelt down next to him, and were telling him to calm down, and to stop moving. ARLT continued to kick his legs, and move around during this time.

I only witnessed ARLT for a short period of time, before I retrieved yellow Police tape from the trunk of a Patrol vehicle. I taped off Getchell St at Chase St, and Getchell St at Delaware Ave.

PO Baker #159 then handed me a camera, which I later learned belonged to PO Bailey. He stated that he had taken some photos with the camera, and asked me to take more photos of the scene with it.

I then took several photos of the scene from several angles. I was told by Sgt. Clayton that there may be blood on the back windows of [REDACTED] Chase St, and to photograph it if located. I attempted to open the back gate of the address, but it was locked. I went around to the front door, to knock, and noted that there was blood and hand prints on the front door, the glass windows on the front door, and the porch below the front door. I took several photos of this, before knocking on the door to make contact with the resident.

I knocked several times, and there was no answer. I was unable to get into the backyard to take photographs.

It should be noted that Deputy Ramponi with the SCSO was on scene, and was keeping the crime scene log. At 0510 hours, I took over the log from Deputy Ramponi. At 0558 hours, I handed the log over to CSO Sanchez #424. See his supplemental report for full details of the scene log.

I later uploaded the photos into the "Q" drive and the VeriPic program as evidence.

NARRATIVE

On 10/16/2016 at about 0500 hrs. I was dispatched [redacted] Chace St. to assist with the detail that occurred earlier in the night.

When I arrived on scene Lieutenant Lemoss #114 instructed me to go to [redacted] Plateau Ave. to conduct a welfare check on the parents of Sean Artl.

When I arrived at [redacted] Plateau Ave. I contacted [redacted] and [redacted] [redacted] brought me to the side of the house where I noted there was broken glass to the sliding door that enters the house as well as broken glass to the sliding door which enters the garage. [redacted] told me Sean normally stayed in the garage which had been converted to Sean's bedroom. [redacted] and [redacted] did not see who broke the glass and did not hear it happen, they assumed it was Sean.

[redacted] told me recently Sean has been going in and out of psychotic episode. She said sometimes Sean is reasonable, but then he starts talking to himself and to other imaginary people. [redacted] said when she tries talking to Sean, Sean gets more upset. [redacted] informed me Sean had already been placed on a 5150 W&I hold earlier this week. [redacted] said earlier in the night Sean had been ranting and pacing back in fourth in the house. [redacted] told me

CASE SUMMARY
I conducted a welfare check on the parents.

NARRATIVE

Sean walked out of the house and [REDACTED] locked the doors to the house because she was afraid of Sean.

I talked to [REDACTED] and he told me about 2000 hours, Sean began making comments about how unless [REDACTED] got Sean some beer, [REDACTED] is going to die. [REDACTED] informed me that [REDACTED] was Sean's son who lived in Texas. [REDACTED] told said [REDACTED] is not going to die and Sean replied by saying you'll see. [REDACTED] said Sean went on to tell [REDACTED] that the reason he is having so many problems is because of [REDACTED] and [REDACTED] Sean told [REDACTED] he was under the impression that [REDACTED] and [REDACTED] were trying to poison him and would sometimes not eat because of it.

[REDACTED] said Sean went outside into the street, and asked [REDACTED] if he wanted to go get some beer with him. [REDACTED] said it was not a good idea and it would be better if Sean stayed at the house. Sean replied by saying that [REDACTED] was the one having problems and he needed to stay at the house. [REDACTED] said Sean came back inside and began pacing back and forth in the house, but eventually left and got beer at about 0930 hours. After returning from getting beer, Sean placed two beers near the door and said you need this to [REDACTED] told Sean he needed to get out of the house. [REDACTED] said Sean did not resist, he just started bantering. After Sean left the house, [REDACTED] said he locked all doors to the house and put ear plugs into his ears so he could sleep because [REDACTED] sometimes stands outside and rants.

I took photographs of the broken glass to the house, as well as the garage. I also photographed some of the items which appeared to be thrown around the garage. I later uploaded the photographs to Veripic, as well as the Q-drive.

NARRATIVE

On 10/16/2016, while I was interviewing the parents of Sean Arlt, his father, [REDACTED] Arlt gave me a printout of Sean's medical history and behavior for the past year.

Some of the printout talks about treatment Sean had been receiving, and some of the medications he had been prescribed.

I took photographs of the printout and uploaded them to Veripic as well as the Q-drive. I booked the original printout into SCPD's property room.

Recommendations:
 Attach to CR-1.

NARRATIVE

In relation to my original response for this investigative call-out, when I arrived at the SCPD I noted that a male subject was seated in the Sergeant's Library alone. I don't recall who, but someone pointed out to me that this subject was a ride-along with Officer Baker #159 at the time of the incident. At that time I contacted the subject who identified himself to me as [REDACTED]. I made sure he was comfortable and suggested he notify his family that he was ok. I then informed him that he would need to be interviewed, to which he informed me he was ok with and was willing to wait throughout the evening until that could happen. I then escorted him upstairs to our break room, provided him with my cell phone number, asked that he do not discuss his observations with anyone, and if he needed anything to give me a call. [REDACTED] acknowledged my request and waited in the break room. I then notified Lieutenant Escalante of [REDACTED] whereabouts and he later coordinated his interview with investigators. I then collected his ride along form and booked it into SCPD Property as evidence item number 115AV-023.

Through the course of the Santa Cruz County District Attorney's Office investigation, I provided assistance as directed by Inspector Murray.

I assisted with the downloading and collection of the audio/video recordings of the involved

officers with DA Inspector Delfin. The recorded interviews were downloaded from the SCPD Interview Tracker system and booked into SCPD Property as evidence. Refer to evidence item numbers 115AV-002 thru 115AV-005. Those recordings were later provided to DA Inspector Murray.

I also researched and collected the SCPD, SCFD, and AMR CAD reports for this incident. I booked the copies into SCPD Property as evidence and attached them to this report for review. I noted that AMR was cancelled prior to their arrival which I was later able to confirm. On October 19, 2016 I contacted AMR Supervisor Dan QUINTO who informed me that he researched the incident through his records and was able to confirm that his AMR unit was dispatched at approximately 0342 hours who had to respond from the area of Aptos, Ca. and was cancelled prior to their arrival. In addition, I collected the SCFD reports generated in relation to this incident from SCFD Records. Refer to SCFD incident# FFD161016023943. All reports were booked it into SCPD Property as evidence. Refer to evidence item numbers 115AV-019, 115AV-021, and 115AV-022.

On October 16, 2016 I was given a copy of the property/evidence forms detailing the equipment collected from the involved officers in relation to this case. DA Inspector Tripp handed me the forms as well as a CD which included an audio recording obtained from Sergeant Clayton's #119 digital audio recording. This item was identified as SCDAO 2016-290-001 evidence item number APT-51. The audio recording and documents were booked into SCPD Property as evidence item numbers 115AV-009 and 028 respectively.

In relation to this case investigation I also researched events that transpired for the incident dated October 11, 2016. Refer to case# 16S-08563. I collected the SCPD and SCSO CAD reports for these incidents, booked copies of them into SCPD Property as evidence and attached them to this report for review. Refer to evidence item number 115AV-027. In addition, I collected the Probable Cause to arrest form and booking sheet attached to case# 16S-08563 and attached it to this report for review. The originals were booked into SCPD Property under case# 16S-08563.

CASE SUMMARY

NARRATIVE

On October 17, 2016 at approximately 1657 hours I obtained a follow-up statement from two employees from Telecare identified as Chloe TOLEDO and Andy WARE. The purpose of my follow-up contact with Telecare was to obtain information in relation to Sean ARLT'S 5150 W&I detention on October 11, 2016. I was informed that ARLT did in fact check into Telecare on October 12, 2016 at approximately 0410 hours and was discharged the same day at 1230 hours.

Since I had already reviewed the completed 5150 W&I 72-hour hold and original report completed by Officer Trindade #142 in relation to that incident, I knew the "Non-Release" section at the bottom of the form had been completed; I inquired as to whether or not TOLEDO showed any record of ARLT having been seen or treated in relation to this hold. She informed me that she did not show any record, however forwarded me to the crisis unit. At this time WARE answered the phone and informed me that she did in fact show ARLT had been accepted and treated on October 12, 2016. She confirmed ARLT was received on October 12, 2016 at 0410 hours and discharged the same day at 1230 hours. WARE researched her records in order to confirm they had received the 5150 W&I Form completed by Officer Trindade, however she informed me that she was unable to locate any such information. She mentioned that ARLT'S case file showed that his primary psychiatrist and County Mental Health were contacted, but she was unable to locate the request to contact SCPD via NETCOM upon his release. My phone conversation was audio recorded and booked into SCPD Property as evidence item number 115AV-013. In addition, I retrieved the "Officer Safety" BOL placed on Roll Call by Officer Trindade in relation to the incident documented in case 16S-08563. This BOL was booked into SCPD Property as evidence item# 115AV-026.

With this information I contacted NETCOM and asked them to research their phone records to see if anyone from Telecare had contacted them at the phone number provided, which was 471-1130 on or around the 12th of October. I was advised that an extensive search was conducted and they were unable to locate a phone call received from the Telecare

number 831-600-2800 or anything similar.

On October 17, 2016 I was handed a camera by Sergeant Cecena #121. She informed me that she came into possession of the camera which was left in her mail slot. This camera was determined to be that which was used to take photographs of the scene immediately following the officers contact with ARLT. I collected the camera and downloaded the photographs specific to this incident. There were several other photographs on the camera, that of which were law enforcement in nature and were associated to unknown cases and/or field interviews. I booked the downloaded photographs into SCPD Property evidence item# 115AV-011. I noted these photographs were the same photographs obtained by Officer McBride #176. Refer to her supplemental report for further information. On October 31, 2016 the camera was released to Lieutenant Escalante to which he turned over to Officer Erlach #168 to download photographs she obtained for an unrelated case. Lieutenant Escalante told me the camera was then secured with Officer Bailey's equipment in SCPD Property. Refer to Officer Erlach's supplemental report for further details.

On October 17, 2016 I received two voicemails. One was left on the SCPD Administration main line and the other on the SCPD Investigations main line. The voicemails were from phone numbers 831-345-3877 and 831-277-5640. These were downloaded and booked into SCPD Property as evidence item# 115AV-012. I forwarded this information to DAO Inspector Murray for follow up investigation.

On October 18, 2016 at approximately 0800 hours I received a DVD from Lieutenant Garcia #102 which was labeled 16S-08694 certified copy #455. This evidence item consisted of the MAV video of Officer Baker. I assigned this item evidence item number 115AV-006 and booked it into SCPD Property as evidence.

On October 18, 2016 at approximately 1300 hours I received four SD cards from Lieutenant Garcia #102 which were labeled Vehicle #142 (115AV-014), #119 (115AV-015), #163 (115AV-016), and #144 (115AV-017). I assigned the respective evidence item numbers

and booked them into SCPD Property as evidence.

On October 21, 2016 I was contacted by DA Inspector Tripp who informed me that the equipment collected from the involved officers, with the exception of their firearms were available for pick up. Since I was not available, I coordinated with him to drop the items off at my office. He informed he did do and secured them in my office in separate boxes for each officer. These items were received and secured in my locked office by Sergeant Harms #120.

On October 24, 2016 I received a letter in my mail slot. Attached to it was the envelope in which it was mailed which I noted was postmarked October 20, 2016. I read an anonymous letter which read as follows:

"October 10, 2016

To Whom it may concern,

I am sorry you had to defend yourselves against Sean Arlt.
 Sean and I worked together a while back. At first he was nice and a good listener. I had to correct Sean on how he was not paying proper attention to the person he was hired to help. He gave me such a hateful look and from then on was cold, aloof and then over time became verbally abusive. We had to ask him to leave.
 Now I know his family has said he was mentally ill. This explains so much!
 I'm sure Sean in all his loved one's say he was but he also had a very scary side and I'm sorry you had to experience it.
 May Sean Rest in Peace and may you be able to come to terms with this terrible experience.

God Bless!"

CASE SUMMARY
 Toxicology report booked as evidence and follow up contact with family member.

NARRATIVE

Cruz Police Department requesting some property be released due to the District Attorney concluding their investigation and any subsequent proceedings. I informed J. ARLT that I had recently been made aware of a court order filed by the ARLT family attorney placing a hold on any property in relation to this case investigation and ordering the SCPD to maintain any evidence still in our possession. I suggested J. ARLT contact his attorney to make arrangements with the District Attorney's Office to ammend this current court order and provide the Santa Cruz Police Department further direction on any property to be released.

My phone conversation with J. ARLT was recorded and booked into SCPD Property as evidence.

No further information.

End of report.

NARRATIVE

On 10/16/2016 at approximately 0600 hours I was contacted while off duty and asked to assist with this case. After a short briefing at the SCPD, I was tasked with responding to Plateau Ave to conduct a search at Sean ARLT's residence. Sgt. Vasquez advised that Sean ARLT's father had given permission to search the residence.

I entered the back yard area that was accessible from an unlocked gate on the north side of the residence. I noted that the main residence's sliding glass door on the east side of the residence was broken. The sliding glass door was double paned and only the outer glass door was broken. There was broken glass on the ground directly outside the sliding glass door.

I also noted there was a detached shed/bedroom to the east of the main residence. I was advised by Sgt. Vasquez that this was Sean ARLT's room. I noted that the room's sliding glass door was open. I noted the widow next to the sliding glass door was broken. I noted there was broken glass on the ground inside and outside of the room. I also saw four empty beer bottles, a coffee can and a travel mug on the ground directly outside the doorway to the room.

CASE SUMMARY
I assisted with this investigation.

NARRATIVE

I noted there was a French press, an electric razor and a laundry basket on the ground between the main residence and Sean ARLT's room.

I noted there was a light rake and some loose boards leaning against a fence on the south side of the yard next to the detached shed/Sean ARLT's bedroom.

I entered Sean ARLT's room briefly with Det. DeOcampo. I noted the room was in disarray. There were bits of broken dishes on the floor, a broken guitar, sand, clothing and other items on the floor. I noted small drops of suspected blood on the floor of the room near the bed and on a desk inside the room. Det. DeOcampo and I quickly decided that it would be best to not search the residence without a search warrant. Det. DeOcampo and I exited ARLT's room.

I took photos with digital camera. Later, I copied the photographs into the SCPD's evidence drive, 186DW-001.

Detective DeOcampo, Detective Sergeant Harms and I, responded to Chace Street and Getchell St where we were tasked with attempting to locate a round. We determined the round would have been fired from the area of [REDACTED] Getchell, southbound down Getchell towards Chace Street. We were unable to locate the round. I noted that it was possible the round could have continued to travel southbound all of the way out into the ocean without hitting anything.

Later, I assisted Detective Warren, Detective DeOcampo, Detective Cline and Detective Sergeant Harms with a search warrant service at ARLT's residence. Detective Warren had authored the search warrant for the residence which had been signed by the Honorable Judge Marigonda. I noted that Sean ARLT's father had cleaned up the broken glass and other items from outside his residence and Sean ARLT's room.

I collected a water blank swab, control swabs and sample swabs from suspected blood

NARRATIVE

On 10/16/2016 at about 0357 I received a phone call at home from Santa Cruz Police dispatch. I was the designated on call Detective for that week. The call was regarding an officer involved shooting that had occurred. I was told that I had been requested to respond to the Police department as soon as possible. I asked where the shooting took place and was told Chace St in the city of Santa Cruz. I responded from my home and arrived about 40 minutes later.

Upon my arrival I met with Detective Sergeant Arnold Vasquez #115 and Lieutenant Bernie Escalante #118. I received a quick case information brief from them in the Sergeants conference room. I was asked to take Officer Bailey to the Investigations Conference room to await further direction. I escorted Officer Bailey upstairs and into the conference room. The reason for the escort is that the investigations conference room is behind a time locked door, and at 0500 on a Sunday morning the door is still locked, and only accessible by investigations personnel or Sergeants and above. Once upstairs I asked Officer Bailey if I could get him a cup of coffee or water. He said no thanks, that he was fine. I left him in the room and went to my desk area.

I noticed Officer Cockrum #132 near the Investigations interview room. She told me that she

was standing by with reporting party, [REDACTED] [REDACTED] I activated the digital recording device that monitors that room and went inside and introduced myself to [REDACTED] I thanked [REDACTED] for his patience and offered him a cup of coffee. [REDACTED] accepted my offer and I poured him a cup of coffee. I told him that it might be an hour or two before his interview would be complete. [REDACTED] asked if he could call his wife and I said that was fine. I showed [REDACTED] where the rest rooms were located and told him if he needed anything to ask. I told [REDACTED] that I wasn't sure who would be interviewing him, but that his patience was appreciated. At the request of the District Attorney's office Detective Cline conducted the interview of [REDACTED] See Detective Cline's report for further.

I found Lt. Escalante and asked him if he needed me to do anything. Lt. Escalante asked me to take several "scene screens" out to the scene. "Scene Screens" are large vinyl screens with PVC framing. They are designed to keep crime scenes out of the public view. Lt. Escalante also asked me to take a "pop up tent" out to the scene due to the rain in an effort to preserve the scene from the rain. The pop up tent is a 10x10 tent with legs that extend to about 6 1/2 feet tall. I took four "scene screens" and a blue Santa Cruz Police department pop up tent to the scene.

Once at the scene I met with Officer Erlach and Lt. Lemoss. Officer Erlach recorded my name for the crime scene log. I removed the pop up tent from its cover and with Officer Erlach's assistance I set it up and covered the body of Sean Arlt. When I arrived Arlt was covered with a yellow blanket. I saw medical debris around Arlt and a large metal rake several feet away. I positioned the tent to be centered above Arlt's body. I removed the four "Scene Screens" from their casing and set them up around Arlt. Due to the wind blowing I asked Officer Erlach to call out a Public Works employee to bring sandbags to keep the screens and the tent in position.

After the tent and screens were up my intention was to clear the scene and return to the Police department. I was briefing Lt. Lemoss on my intentions when the back door to [REDACTED] Chace St opened and a subject exited the door holding an umbrella. The subject opened

the back gate and stepped out in to the driveway. Lt. Lemoss and I walked over and introduced ourselves to [REDACTED] A. [REDACTED] asked about her husband, [REDACTED] I told her that it was my understanding that [REDACTED] was at the Police Department waiting to be interviewed and he would be home after that. I told A. [REDACTED] that I didn't have a time frame for that but it might be several hours from now. She asked if she could call him and I said that was fine. A. [REDACTED] looked towards the pop up tent and asked Lt. Lemoss and I "is he dead"? Lt. Lemoss said that yes he was dead. A. [REDACTED] began saying over and over, "why did you shoot him, why couldn't you have shot him in the leg?" It was beginning to rain and I asked A. [REDACTED] if she wanted to go back inside, she said yes. A. [REDACTED] could not go back through the gate she came out of because the string that assisted the lock was stuck between the boards. I escorted her around the front of the house to another side gate. I noticed that there was blood on the back door that A. [REDACTED] went back through. A. [REDACTED] said something to the effect of, "Sean was covered with blood when he got here, I hope his parents are ok". I made sure that A. [REDACTED] made it back into her house. I told her that at some point today someone would be by to take her statement about what she witnessed.

I returned to the Santa Cruz Police department and made my way back upstairs towards Investigations. In the hallway outside of Investigations I came across a male who was wearing a SCPD visitor's badge. I asked him what he was doing in the hallway. He told me that he had been on a ride along with Officer Baker earlier in the evening. I asked him if he saw the shooting tonight, he said he had been sitting in the front seat of the patrol vehicle and saw what happened. The male introduced himself verbally as [REDACTED] I told [REDACTED] that he would likely be interviewed as a witness in this investigation and if he was able to stay at the department for a while longer, he said yes. I had Officer Kendall stand by with [REDACTED] while I found an interview room for him to sit down in. I found the interview room that [REDACTED] had been in earlier was clear so I escorted [REDACTED] into that room and started the audio and video recorder. I copied [REDACTED] driver's license information down and advised him that someone would be in shortly to speak with him. District Attorney's Investigator Patrick McMurry ended up interviewing [REDACTED] see his report for details. I

assigned [REDACTED] interview my evidence item number 154BW-001, it was booked on the SCPD interview tracker system.

Later that morning I was tasked with writing a search warrant for Arlt's room at [REDACTED] Plateau by ADA Tara George and Detective Sergeant Vasquez #115. I wrote the warrant and the warrant was approved by ADA George. I contacted the On Call Judge for Santa Cruz County. The on call Judge was the Honorable Judge Marigonda. I gave the Honorable Judge Marigonda a summary of the case and sent him an electronic copy of the search warrant. The Honorable Judge Marigonda approved and signed the warrant electronically and swore me in via video conference.

Once the warrant was signed I, Detective DeoCampo, Detective Williams, and Detective Sergeant Harms drove to [REDACTED] Plateau where Detective Cline had been waiting for us. We notified the two occupants of the home of our search warrant and our intentions to search only the detached room/converted garage that had been occupied by Sean Arlt. Detective DeoCampo took photographs of Arlt's room, the damage (smashed sliding glass doors, smashed guitar, broken pottery, etc) that was done to the room prior to our arrival, photos of the items that were seized pursuant to the search warrant, and exit photos of the room once our search was complete.

From Arlt's room I seized the following items:

- 154BW-002- blood sample from floor
- 154BW-003- water blank
- 154BW-004- control from floor
- 154BW-005- blood sample from desk
- 154BW-006- control from desk
- 154BW-007- Journal from behind the bed
- 154BW-008- Indicia from the top desk drawer- California driver's license/checkbook, etc...
- 154BW-009- "Man's Search For Meaning" book
- 154BW-010- Notebooks found on the floor near the bookshelf

 Items 154BW-018 through 154BW-022 were processed at the SCPD on 10/19/2016. They had been collected with all the other items and packaged and secured in the SCPD evidence room immediately after the warrant was served. They needed to be itemized, counted, and weighed prior to being officially booked as evidence, that was completed on 10/19/2016. I took photos of these items and booked the photos as 154BW-023.

After the warrant was served and the search and collection of evidence was complete I gave a copy of the search warrant facepage and the search warrant returns to [REDACTED] Art. Art said that he couldn't read the copy of the search warrant return, it is the third copy on carbon paper, so I let him make a copy of my front page to retain for his records.

Once we cleared the residence the listed Detective returned to the SCPD. Detective Deocampo and Detective Williams assisted me in labeling and sealing the evidence that was collected and it was booked into the SCPD evidence room. I advised DAO George and Inspector McMurry of what I found and seized at during the search warrant.

Recommendations: Attach to CR-1 and forward to DAO for review.

NARRATIVE

On 10/20/2016 and 10/21/2017 I authored two search warrants for medical records and security video pertaining to this investigation at the request of the Santa Cruz District Attorney's office. I authored the search warrants and they were approved by ADA George. The Honorable Judge Marigonda approved each warrant and assigned a Special Master for the collection of the items that were sought.

The Special Master along with Santa Cruz District Attorney's Inspectors served the warrants and collected the evidence. Any evidence collected from these two search warrants was collected and booked by the Santa Cruz District Attorney Inspectors office. Santa Cruz District Attorney's Inspectors Katrina Rogers and Kelli Freitas provided me with several search warrant returns. I have booked the returns they gave me as evidence. I submitted the returns to the Honorable Judge Marigonda. Judge Marigonda accepted and signed the returns. I submitted the returns and the original warrants to the court clerks for filing.

NARRATIVE

On 02/16/2017 I was tasked by Detective Sergeant Vasquez #115 to respond to the Sheriff's office property division and check out one evidence item number that their office collected on 10/16/2016. I was tasked to collect their item number 4, serial number 1063821, and case number 1608229. I responded and met with Dr. Zephro and property attendant S. Baldwin. I signed the property form for Baldwin and took possession of the item. The item was wrapped and sealed with tape. None of the seals had been broken and the item was completely enclosed in packaging material.

I returned directly to the Santa Cruz Police department and booked the item as evidence item number 154BW-029. I gave the SCPD property attendants a copy of the Sheriff's Office Property/Evidence Transfer sheet.

Recommendations: Attach to CR-1
