RE: Grant of Extension/Request for Continuance

Dear Mr. Butler/Lee:

On September 9, 2021, we provided additional information to the City in connection with our SB 35 application dated July 1, 2021, in response to staff comments and requests for additional information.

We are willing to grant an extension of the statutorily-mandated 60-day review period to allow staff the opportunity to thoroughly review the additional requested information in order to determine the application's compliance with objective standards.

We are voluntarily granting an extension of the 60-day review period to October 14, 2021 with the understanding that staff will be recommending a continuance of the public oversight meeting scheduled for Tuesday, September 14, 2021 and that no action will be taken on our SB 35 application at that meeting.

Thank you for your anticipated cooperation.

Sincerely
