

# Meter Replacement Project Schedule

To find your route number, take the first three digits of your account number. For example, account 023-01234-011 would have a route number of 023. Route 100 and dedicated irrigation accounts, please call Utility Partners of America (UPA) 831-515-1523. All dates are estimates and subject to change.

Route	Estimated Install Window
