

## City Attorney

Atchison, Barisone, and Condotti is one of the oldest continuously operating law firms in Santa Cruz County, and this factor contributes to their credibility among other local, legal professional and public agency sectors, as well as the law enforcement community. The firm's current attorneys provide general legal services at a base annual cost.

Services to the City's eleven departments include contractual drafting and review, personnel work, public utilities work, election law, labor law, construction law, real estate transaction work, the review of drafting of legislation, ordinances and resolutions, land use and environmental law.

The City Attorney likewise advises the City Council pursuant to the general legal services provision of the contract. Additional special services may be requested at preset contractual rates depending upon the level of service requested. Other budget amounts included in this department include other professional legal services that may be required to be provided outside of the firm as well as contractual expense reimbursements and retirement contributions.
