**INFORMATION:**

On Sunday, August 14, 2022, at approximately 11:08 p.m., Santa Cruz Police Department (SCPD) responded to the 100 block of Raymond Street on a report of two victims of a drive-by style shooting. Officers located two males suffering from gunshot wounds in a nearby park.

The victims, 28 and 26 years of age, both suffered from single gunshot wounds. Paramedics transported the injured males to a Bay Area Trauma Center for treatment. Both victims' injuries are in serious but stable condition.

Preliminary information suggests the shooting is gang motivated. SCPD Officers established a crime scene, recovered several casings, and confirmed gang associations of both victims. Detectives worked throughout the night collecting evidence and following up on leads to identify the possible suspects in this case.
