

**City of Santa Cruz
Police Department**

**ENTERTAINMENT PERMIT
APPLICATION**
(Fees updated January 2023)

INFORMATION

Section 5.44 of the Municipal Code requires that a person conducting entertainment in the City of Santa Cruz must first obtain approval of an Entertainment Permit from the Chief of Police. The City of Santa Cruz defines entertainment as:

Any act, play, review, pantomime, scene, dance, or song and dance act. Any form of live music, bands, live vocal or instrumental sound. Any form of dancing. Any fashion or style show.

Before obtaining approval of the Police Department Entertainment Permit, all live, amplified entertainment operations in the City are required to obtain a Use Permit from the Department of Planning and Community Development. Contact the Planning Department for information on your specific entertainment situation and Use Permit requirements.

Attached is an Entertainment Permit application. If you wish to obtain an Entertainment Permit, complete and submit this application. Additional items to submit, including the required fees, are listed in the checklist on the following page. The application and other items will be reviewed by the City's Fire, Planning, Building and Police departments. Within 60 days of the submittal, the Police Department will inform you of the status of your application, i.e., approval, denial, incomplete OR on hold for a specific time period.

Please note: if your application is found incomplete you will be given a specific time period in which to complete the application. Failure to make the application complete within the specified time period will result in the application being denied.

An approved application will include a number of conditions to ensure the operation is run in a safe manner. A list of typical entertainment operation conditions can be found in the separate document titled "Police Department Entertainment Permit General Information".

All Entertainment Permits, including but not limited to Incidental Entertainment Permits and Conditions will be published to the City of Santa Cruz Police Department's website. This is in accordance to the California Public Records Act.
