

City Council

The City Council is comprised of six councilmembers and a mayor. They are the legislative and policy-making body of the City government. The council determines the City budget, appoints, and removes certain officials, and generally establishes the strategic plan and policies for our City. Beginning with November 2022 elections, the City began transitioning to six districts and there will be councilmembers who reside in and are elected to represent their respective district. Additionally, voters directly elected a mayor for a four-year term.

The term of office for a councilmember is four years and a councilmember may serve a maximum of two consecutive terms. The mayor presides at all council meetings and is recognized as the head of the City government for all ceremonial purposes.
